Prerequisite:	None	Prerequisite:	None

Learning Objectives

Subunit/Weekend	Level of Achievement (Qualifiers)	Subunit/Weekend	Level of Achievement (Qualifiers)
Understand basic of historical method	Can differentiate and identify elements of past and history Can apply basic historical method by analyzing past events and present day.	Can understand past and history Can explain basic historical method by general concept	Can not differentiate the past and history Can not understand basic historical method
Explain the progress of early medieval civilization	Can explain the progress of early medieval civilization including complex and contrast class civilization	Can explain the progress of early medieval civilization. However, have some mistakes.	Can not explain the progress of early medieval civilization.
Analyze the interaction in each period among social, economic and political conditions, intellectual and art	Can analyze the interaction in each period among social, economic, intellectual and art necessary with historical context	Can analyze the interaction in each period among social, economic, intellectual and art.	Can not analyze the interaction in each period among social, economic, intellectual and art.
Apply the historical method and historical knowledge by analyzing the cause and effect of significant event in the present day.	Can apply the historical method and historical knowledge by analyzing the cause and effect of significant event in the present day.	Can apply the historical method and historical knowledge by analyzing the cause and effect of significant event in the present day in general.	Can not apply the historical method and historical knowledge by analyzing the cause and effect of significant event in the present day.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.

Learning Objectives with Learning Outcomes

1. Explain the process of early medieval civilization: Mesopotamia, Egypt, India, Valley, Indo-Aryan and Southeast Asian.

2. Explain the interaction of major ancient societies: ancient and classical world: medieval and early modern.

3. Apply the historical method and historical knowledge to analyze the cause and effect of significant events in the ancient world.
